PROFESSIONAL EXPERIENCE

Equity Research Analyst — NextGen Global Services Private Limited

Current

- Cover U.S.-listed and ASX/Indian equities with company- and sector-level fundamental research, building DCF and Comparable Company Analysis models to support buy/hold/sell recommendations.
- Track U.S. and global capital markets, corporate actions, and company announcements to publish timely update notes and valuation models.
- Prepare equity research reports, investment notes, and valuation summaries; summarize earnings calls and analyst meets for internal stakeholders.
- Conduct comprehensive company financial analysis (P&L, Balance Sheet, Cash Flow), applying financial ratios and valuation benchmarks to support investment theses.

Trainee — NJ Wealth

Jun 2025 – Aug 2025

- Conducted investment and market research to support portfolio decisions using diversification and risk-return analysis frameworks.
- Prepared client presentations, market outlooks, and product comparison briefs; developed weekly and daily market summaries.

Equity Research Analyst Intern — Profit Idea

Prior

- Conducted fundamental and ratio analysis across multiple sectors, reviewing financial statements and key business metrics.
- Contributed to initiation coverage reports with actionable investment insights.

Finance Intern — Central Coalfields Limited (CCL), Ranchi

May 2024 – Jul 2024

- Assisted in financial data analysis and reporting, improving accuracy of financial forecasts; received formal appreciation letter from Finance Manager for outstanding performance.

RESEARCH COVERAGE

- CSL Limited (ASX: CSL) — Full equity coverage including DCF valuation, relative valuation, and investment thesis with buy/hold/sell recommendation.
- Asian Paints (NSE: ASIANPAINT) — Company initiation report with financial analysis, ratio benchmarking, and sector comparison.
